

Student Affairs & Student Services

Jeanne Murabito
October 2, 2007

Mission of Student Affairs

Enhances and supports the academic mission of the College of Engineering and the University. Student development and student services, with an emphasis on building alliances between the classroom and other aspects of campus life, are our mission. Through a myriad of services, programs and activities, we support and encourage the intellectual, vocational, personal, social and cultural development of our students.
