

Dear Applicant,

On behalf of the faculty search committee of the College of Engineering, I would like to thank you for submitting your letter of interest and curriculum vitae for consideration as a faculty member.

The University of Michigan is required by Federal law to request and maintain data on applicants for employment. As such, we would appreciate your cooperation in completing the self-identification form that can be accessed online by the link below. While this is entirely optional on your part, the information you provide helps the College and University in conjunction with the University's Equal Opportunity and Affirmative Action program and will not be used in the employment decision.

In an effort to make this process as convenient as possible, you may visit our online reporting system at:

Thank you very much for your interest in Michigan Engineering.

Sincerely,

Mingyan Liu  
Associate Dean for Academic Affairs
